Death Benefit: On death of Divya Reddy before the Vesting Date, provided all due Premiums have been paid, the amount payable shall be the total Premiums paid, accumulated at a guaranteed rate of 6% per annum compounded annually, subject to a minimum of 105% of total Premiums paid till the date of death. This benefit is payable to the nominee, Ravi Reddy (Father).

Guaranteed Additions: Subject to Premiums being paid as and when due, Divya Reddy shall receive at vesting annual Guaranteed Additions at a rate of 3% of the Sum Assured on Vesting, accrued at the end of every Policy year, throughout the Policy Term.

Payment and cessation of Premiums: Premium Payment Frequency is Half-yearly, at Rs. 55,000 per instalment, with a Final Premium Due Date of 15/02/2046. A grace period of 30 is available on the premium due date to pay the premium (not applicable to Single Premium policies).

Part D – Policy Servicing

Surrender Value: The Policy acquires a minimum Guaranteed Surrender Value (GSV) upon payment of the first two years' Premiums (for Limited Premium policies) or immediately on payment of Single Premium. The GSV is the sum of applicable GSV factors (per Appendix 1) multiplied by Premiums paid and accrued Guaranteed Additions. A Special Surrender Value (SSV), if higher, may also be payable.

Lapsed and Paid-Up Policies: If a due premium remains unpaid beyond the grace period and one full year of premiums has not been paid, the Policy lapses; no benefits are then payable. If the Policy has acquired a minimum GSV, it is instead altered to paid-up status with a reduced paid-up Sum Assured.

Revival: A lapsed or paid-up Policy may be revived within 5 years from the due date of the first unpaid premium, subject to satisfactory evidence of continued insurability and payment of unpaid premiums with interest (currently 9.50% p.a., reviewed semi-annually).

Alterations: Premium paying frequency can be changed subject to minimum premium conditions. The Annualised Premium cannot otherwise be increased or decreased.

Loans: Loans are not available under this Policy.

Partial Withdrawal: Permitted only after 3 policy years, up to 25% of total premiums paid, a maximum of three times during the term, and only against stipulated reasons such as children's education/marriage, purchase of a residential house, treatment of critical illness, or self-development/start-up expenses.
